1953 *General*

VOLUME II

Published By
The Senior Class
and
Annual Staff
of

WILLIAM CAMPBELL HIGH SCHOOL
Naruna, Virginia

Foreword

The Senior Class and Annual Staff of 1953
 present to you the second volume of "The
 General." In connection with our class
 motto, "Tonight we launch, where shall
 we anchor?" we have selected our theme.
 As we lift our anchors along the way of
 life, may we ever press "ONWARD."

Dedication

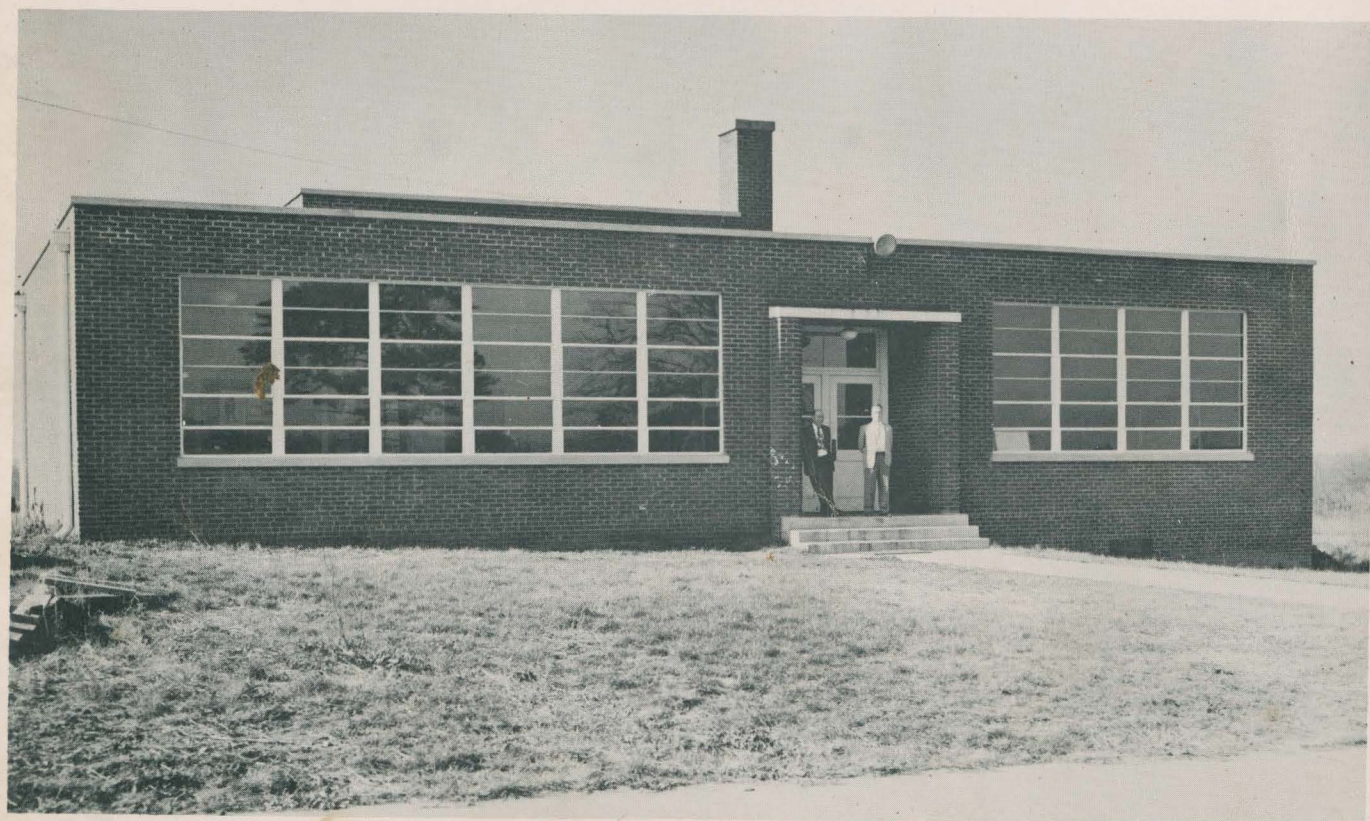

Because of his interest, cooperation, and advice, which
 helped make this book possible, we, the Senior Class, dedi-
 cate this second volume of "The General" to Mr. George W.
 Goodman.

Second Row: Aulden Roach, Gene Elder, Tony Foster, Phillip Colbert, James Roakes, Henry Farmer, Preston Martin, Addison Winston, Clyde English.

"Onward" Through Our Clubs.

The STUDENT CO-OPERATIVE ASSOCIATION is composed of all students of William Campbell High School. Its purposes are to promote co-operation among pupils, to develop school spirit, and to effectively co-ordinate and encourage participation in school activities.

The STUDENT COUNCIL was organized in 1952. Its membership consists of the officers of the S.C.A. and the presidents, with one selected representative, from each of the four classes. This group seeks to put democracy into practice by taking charge of such activities as operating a school store and organizing special recreation.

The FUTURE HOMEMAKERS OF AMERICA is composed of any pupil enrolled in the secondary school who is taking or has taken a homemaking course in junior or senior high school. Membership is voluntary. "The main goal is learning to live better today in order that the homemaking pupils' lives and those of their families may be better tomorrow."

The FUTURE FARMERS OF AMERICA is composed of students enrolled in a vocational agriculture class. The primary aim is the development of agricultural leadership, co-operation, and citizenship.

The "VOX DUCIS" staff is composed of the members of one section of English IV. The purposes of this school publication are to practice newspaper writing, to develop an interest in journalism, and to keep the student body informed on current school news.

The LIBRARY CLUB consists of twenty-five pupils who are interested in working in the library. The club provides these boys and girls an opportunity for learning library practices and rendering a helpful service to the school.

The BETA CLUB membership is determined on the basis of mental ability, good character traits, creditable achievements, and commendable attitude. It aims to encourage effort, to stimulate qualities of leadership, to reward merit, to encourage and assist students to continue education after high school graduation.

The BUSINESS HONOR SOCIETY was organized to create interest in and promote high standards in business education and to instigate various projects designed to give a better understanding of the business world and its problems. It emphasized character, knowledge, leadership and service to business.

The GLEE CLUB membership consists of forty-eight pupils especially interested in music. Its activities include assisting in school programs, broadcasting on special occasions, and giving programs at other schools.

The ART CLUB is composed of students who are enrolled in high school art classes. The purposes are to allow for creative art expression, to promote art appreciation, and to integrate art with other school experiences.

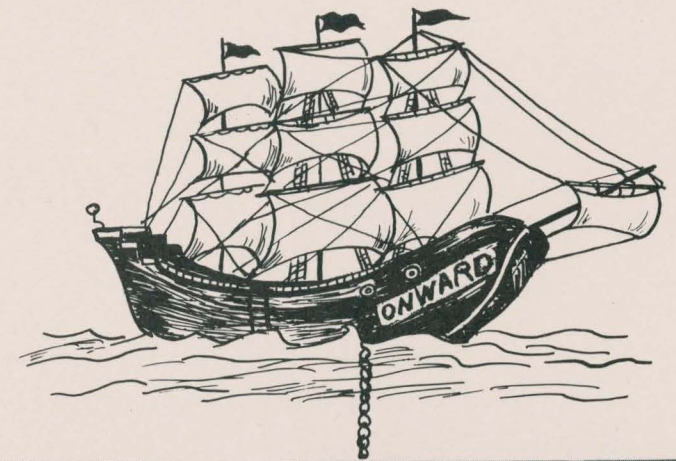

The LATIN CLUB seeks to maintain interest in the study of Latin and to promote the general knowledge of Roman customs and civilization. The members are pupils who are taking Latin now or have had two years of Latin.

The SPANISH CLUB has fifteen members. It is organized to provide an added activity for the pupils taking Spanish. The emphasis is on the language and customs of the Spanish speaking nations.

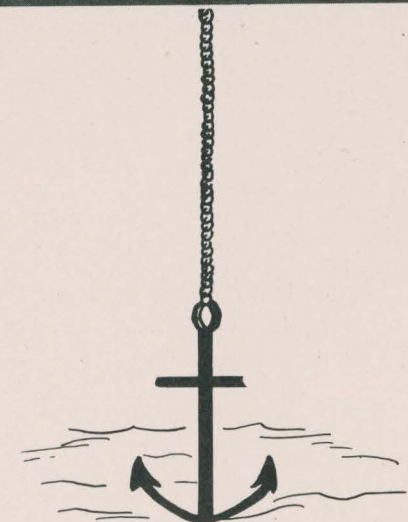

The SCIENCE CLUB is composed of students who are taking or have had two years of science. It is organized to develop and encourage a greater interest in the scientific aspects of the world in which we live.

The FUTURE TEACHERS ASSOCIATION was organized in the fall of 1952 by Mrs. A. W. H. Jones. It is named Fray F.T.A., honoring J. J. Fray, County Superintendent. It is part of the N.E.A. and V.E.A. work. It is composed of twenty-six members from the eighth through the twelfth grades. Its purposes are to encourage students to enter teaching professions, to start their training and growth in high school, and to transfer membership to college Future Teacher Associations.

The K. V. G. is composed of boys at least fifteen years old who have had agriculture for at least one year. Their purpose is to "Keep Virginia Green" by actively engaging in the correct methods of preventing and fighting fires.
